State Department Receives Reports of Attack on American Steamer—One Says Flag Was Not Floating at Time

EXAMINATION OF SHIP'S HULL WILL BE MADE

No Definite Information Yet in Hand to Determine Whether Mine or Torpedo Caused Damage

(By Associated Press.)
WASHINGTON, May 27.—Messages received by the state department today from Ambassador Page and Consul General at Livorno, Italy, and from the American steamer "Diplomat" at Genoa, reported that the steamer had been attacked by a mine or torpedo on the night of May 25. The steamer was en route from New York to Genoa, and was carrying a large cargo of mail and passengers. The attack occurred in the Adriatic Sea, about 100 miles from the Italian coast. The steamer was damaged, and several passengers were injured. The state department is now conducting an investigation into the attack, and has requested the Italian government to provide information regarding the incident.

IN THE PATH OF WEDNESDAY'S STORM. Oak that blocked traffic on Peachtree street near Pine Street, fallen across a city artery; below, shattered roof of Kappa Sigma house, 322 Williams street.

(By Associated Press.)
The storm that hit Atlanta on Wednesday night caused widespread damage. The wind was estimated to be between 40 and 60 miles per hour. The rain was heavy, and the total rainfall was about 2 inches. The damage to property was extensive. The roof of the Kappa Sigma house was shattered, and the oak tree that blocked traffic on Peachtree street near Pine Street was blown down. The storm caused a power outage in several areas of the city. The city department of public works is now working to clear the streets of debris and to repair the damage to the power lines. The storm was a surprise to many residents, as it was not predicted by the weather bureau.

EXTREMES OF WEATHER REACHED EAST AND SOUTH CITY FINANCE COMMITTEE FINDS OVER \$100,000 "NO DANGER THREATENED BY CARNEGIE'S GIFTS"

Mercury Drops to 28 in New York and Steams Up to 96 in Alabama

(By Associated Press.)
The extreme weather conditions in the East and South have caused a significant drop in the mercury in New York, where it fell to 28 degrees, and a significant rise in the mercury in Alabama, where it rose to 96 degrees. The city finance committee has found that the city has over \$100,000 in funds available for the construction of a new school and other improvements. The committee has also found that the city is not in danger of financial trouble due to the gifts from the Carnegie Foundation. The committee has decided to accept the gifts and to use the funds for the construction of the new school and other improvements.

ITALIANS WIN FIRST IMPORTANT BATTLE AGAINST AUSTRILIANS

King Victor Emmanuel's Troops Force Way Across Gonzo River and Drive Austrian Hosts Before Them

(By Associated Press.)
The Italian army has won a significant victory over the Austrian army in the battle of the Isonzo river. The Italian troops forced the Austrian troops to retreat across the river and to drive them before them. The Italian army is now advancing towards the Austrian positions. The battle was a hard-fought one, and the Italian army suffered heavy casualties. The Austrian army also suffered heavy casualties. The battle was a turning point in the war, and it showed that the Italian army was now capable of winning a major battle.

WILSON A VINDICATION OF EDUCATION

—DR. EDWIN MIMS

WHITEFOORD B. COLE.

DR. EDWIN MIMS.

Vanderbilt Professor Says President is Finest Example We Have of Value of Right Thinking

In an address to the students of the Georgia Military academy at College Park Thursday morning, Dr. Edwin Mims, head of the department of English at Vanderbilt university, paid a tribute to Woodrow Wilson as the finest example this country has produced of the trained mind.

Dr. Mims, speaking on the value of right thinking, declared that the thing that differentiated Woodrow Wilson from his predecessors in the president's chair was the discipline of mind acquired by him in his years of study, teaching and right thinking. President Wilson, instead of leaving behind him his academic discipline, his intellectual culture and the mental equipment that came to him as a university man, had brought all of these resources with him to the high office which he now occupies.

By reason of his life as an educator, said Dr. Mims, President Wilson is able to face the great problems that press upon him with more ease and confidence possibly than any other man who has ever been elevated to the presidency.

Dr. Mims appealed to the young men whom he addressed to realize the importance of right thinking, to recognize that loose thinking was immoral, and that there is something in life besides being merely good.

Following his address to the G. M. A. boys Dr. Mims visited the Tech High school where at 11:30 he spoke to the students of that institution for about twenty minutes. His visit to Atlanta was primarily for the purpose of addressing the Vanderbilt alumni who will meet tonight at 8 o'clock at the Piedmont Driving club in celebration of Founders' day.

Accompanying Dr. Mims to Atlanta as the special guest of the Georgia alumni of Whitworth College, secretary of the board of trustees of Vanderbilt, Dr. Mims and Mr. Cole are two of the most distinguished graduates of Vanderbilt. Dr. Mims has a national reputation as a scholar and is especially known as the author of "The Life of Sidney Lanier," a standard work which is used as a text book all over the country. He is a magnetic man personally and an eloquent speaker. Mr. Cole is one of the leading business men of Nashville, Tenn. He has rendered conspicuous service to his alma mater as a member of the board of trustees, giving liberally of his time and his money to the success of the institution. He is well known in Atlanta where he has visited frequently.

The Georgia alumni of Vanderbilt, keenly honored over the presence in the city at their Founders' day celebration of two such distinguished sons of the university. Notably even Vanderbilt alumnae has accepted an invitation to attend the dinner at the Driving club Thursday evening.

ENGINEERS NAME ATLANTA MAN INSURANCE TRUSTEE

CLEVELAND, Ohio, May 27.—The Brotherhood of Locomotive Engineers, in convention here, completed its roster of salaried officers Wednesday with the re-election of William B. Frenter, of Cleveland, as first grand engineer. This includes the duties of secretary-treasurer.

J. H. Welsh, of Atlanta, was elected an insurance trustee. The engineers voted to make Cleveland the permanent convention city.

Auto Run Planned

COLUMBUS, Ga., May 27.—An auto run from Columbus down the Chattahoochee to the lower river and the new government canal, to St. Andrews Bay, proposed by the Columbus chamber of commerce, and it is stated that such a project is taking shape. It is suggested that it might be possible to get several congressmen to join such a party and make the trip, plans for which are being mapped out by a special committee.

Noted Cockswain Killed

LONDON, May 27.—Included in the recent list of killed at Ypres is the name of Second Lieutenant Stanley MacLagan, known to many enthusiasts as the greatest cockswain of recent years. He served the Oxford crew for two years in 1910 to 1912, and later steered many winning Leander crews, including the famous eight which won the Olympic regatta at Henley in 1908.

RIOTING IS REPORTED ON THE MALAY PENINSULA

Many White Residents Said to Have Been Killed in Uprising of Natives

(By Associated Press.)

TOKIO, May 27.—Reports of serious rioting in the northern part of the Malay peninsula have been brought here by steamer from Nagasaki. The uprisings are said to have been started as a protest against taxation. It is reported that a force of 3,000 rebels repulsed a punitive expedition and pillaged villages and towns, murdering many white residents. The British administrator has advised white women to take refuge in Siam.

ROME SHOWS HARDLY A SIGN OF THE WAR

ROME, May 27.—Except for the flags which fly from almost every window, Rome gives little indication of being the capital of a country which has entered on a great war.

A spirit of calm confidence has followed the period of stormy demonstrations for war which preceded the actual opening of hostilities.

LOSS OF APPETITE

Most Successfully Treated by Taking Hood's Sarsaparilla.

Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because at this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions.

Hood's Sarsaparilla, the old reliable all-year-round medicine, is especially useful in the spring. Get it from your druggist today. By purifying and enriching the blood and giving vitality, vigor and tone, it is wonderfully successful in the treatment of loss of appetite and the other ailments prevalent at this time. It is not simply a spring medicine—it is much more than that—but it is the best spring medicine.

Hood's Sarsaparilla makes the rich red blood the digestive organs need.—(Adv.)

NEW ARTESIAN WELL FOR FORSYTH WATERWORKS

FORSYTH, Ga., May 27.—The contract for the drilling of a new deep well for the city of Forsyth has been awarded by the mayor and aldermen to A. B. Lambert, of Macon, and the work is to begin as soon as the necessary drilling equipment can be shipped to Forsyth.

Forsyth has outgrown its present water supply and it is expected that the new eight-inch well will give the city sufficient water for all purposes.

The First Sale of These Portable Electric Lamps Ever Held in Atlanta

\$5 Sizes \$2.98

\$4 Sizes \$2.39

THESE handsome table lamps add a touch of beauty to any room.

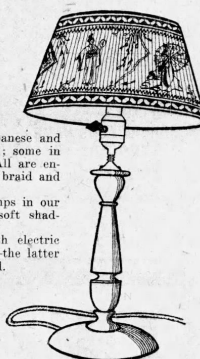

—Just as pictured, made of solid mahogany or white enameled birch—each style in two sizes.

—The shades are of fine imported chintz, silk fabrics and cretonnes—some in Japanese and Oriental designs as pictured; some in plain with floral borders. All are enriched with borders of gold braid and galloons.

You will see the lighted lamps in our window display—note the soft shadings; the rich, mellow tones.

—Each lamp is complete with electric socket and extension cords—the latter 5 feet long and silk covered.

—The stands are 11 and 14 inches tall; the shades are 6 and 7 inches in diameter for the small stand; 8 and 10 inches for the large stands. Choice of any shade. A pleasing and practical gift for June brides; a sensible gift for your own home.

Large \$5 sizes at \$2.98

\$4 sizes at \$2.39

\$3 to \$4 Silk Parasols \$1.98

THE window display shows how pretty the parasols are—but you must examine them to know how really good they are:

Note the quality of the all-silk, taffeta—uniform and perfect with the firmness and feel that insure wear.

Plenty of Black-and-white Stripes. Plenty of Black-and-white Checks. Plenty, too, of plain colors; polka dots; flowered patterns; solid colors with contrasting borders or centers. More than four hundred parasols in all; choice \$1.98. (Main Floor, Center)

\$1 Jewelry at 39c

Final clean-up of our recent big sale, together with oddments from regular stock. Values 50c to \$1, 39c.

It is a hodge-podge assortment that includes:

—German silver fan or opera rings.
—Sterling silver mesh bracelets.
—Light color enamel barrettes.
—4-inch German silver mesh bags.
—Enameled brooch pins and 2-pin sets.
—25-inch jet necklaces.
—Long jet chains of various kinds.
—Hair ornaments and stone mounted combs. (Main Floor, Center.)

A Lucky Day in Laces 5c

10c & 12 1-2c Valenciennes Laces
10c to 15c Linen Cluny Laces

WE'RE glad to give up a window to the display of these laces—the sight of them will sell them quicker than anything we can say.

—Because they are the clear-cut ROUND THREAD VAL laces now in demand for trimming tub frocks, waists, undermuslins, etc. Match sets in edges and insertions, 1 to 2½ inches wide.

—LINEN CLUNY LACES, too, for decorative table and bed pieces. 2½-inch matched sets of edges and insertions. 5c a yard.

Paper Napkins, 12c hundred.
Parowax for sealing fruit jars and laundry work, 15c lb. (Basement Sales Room.)

These Rompers Are Too Good to Retail at 50c; Hence We Have Them to Sell at 39c

SOUNDS foolish, we know, but listen:

—The makers of the Jack Tar Middy Blouses determined to make a better romper than any in the market at 50c. But they didn't figure on the retailer who wouldn't pay the extra price for the better material and making. Therefore, the Jack Tar people discontinued making rompers, turning them over to us undepreciated.

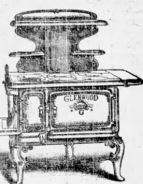

—Materials are medium and light colored glinghams and chambrays in plain checks and stripes. Also in white madras. Style as is pictured. Sizes 2 to 6. Choice 39c.

NOTICE

To the Readers of this Paper Who Reside Outside of the City.

In every town and city where this paper circulates there is one drug store who has the exclusive retail agency for Vinol, the famous Oat-Liver and Iron Tonic which is being advertised in this paper every other day.

In your town look for the drug store that displays this sign on its window:

If you need a general body-building and strengthening tonic, or a constitutional remedy for a chronic cough or cold, read the interesting reading articles that are appearing every other day in this paper over the signatures of people who have actually been benefited by Vinol.

Remember, Vinol is always sold under the guarantee that if it should not give satisfaction the whole amount paid for it will be returned to the customers on request without question. Look for the Vinol sign in your own town.

RED, SCALY SKIN

Cured by our Saxo Salve

A Highland, N. Y., woman writes:— "Since 1901 I suffered from eczema and my skin was very tender, red and scaly and I could find no relief until I used Saxo Salve. It worked like magic, in less than a week the scales were gone and now the skin is healed and smooth, thanks to Saxo Salve."

If we can't cure your skin trouble with our Saxo Salve and Saxo Soap we will give back the empty tube.

MISS PARRISH REPLIES EDITORIAL ATTACK

State Supervisor of Public Schools Answers Criticism Growing Out of Her Report on Atlanta Condition

Editor The Journal: A writer on the editorial page of an Atlanta afternoon newspaper on May 25 has made an unprovoked attack upon me, under the appellation of "an employee of the State Superintendent of Schools at Atlanta." The malicious insinuations of the writer justify me in taking this opportunity to make a public reply to him, and what reward he is to have for his recently acquired conception of the cause of the city schools. A revelation of these facts may make interesting reading for the Atlanta people later. The only palliation that I can find for his outrageous attack upon me is that he is a "righteous" devotee to the very cause he has been planning to succeed to private interest.

That even the unthinking public, without suggesting my survey of the Atlanta school system, as is claimed by the editorial writer, is hardly likely. Those who know me will smile at the idea that I could be a passive tool in the hands of any man. Those who know Mr. Brittain will be able to guess at the political strategy to which even his enemies must be reduced before indulging in misadventure at so important a Christian gentleman.

I am not an employee of State Superintendent of Schools M. L. Brittain. My duties and salary are prescribed by the state legislature, and my salary is paid by the state treasury on the warrant of the governor of Georgia. It is not true that the president of the Atlanta board of education "ordered" the school survey which I conducted. Mr. George M. Hope, who was then president of the board, will confirm this statement. The Atlanta board of education voted to ask the state superintendent of schools to name a state supervisor to conduct a survey of the Atlanta schools which they desired to have made. He declined to name the person, and asked them to designate the one whom they desired.

At a regular meeting of the board I was unanimously chosen, and Superintendent Brittain, who was present, consented to my appointment. That Superintendent Brittain, or any member of the Atlanta board of education, tried to secure from me an adverse report on the Atlanta city schools is a malicious falsehood. They did who is customer, in fact, the superintendent of the work to be done and left for me to state facts. It is true, however, that Superintendent Brittain strongly advised me to avoid any report which might injure him. This is the custom in all surveys. The best proof of the conscientiousness of my work is the report itself. My official duty necessitated my telling of the current policies and methods still practiced in the Atlanta schools, of the antiquated and long outworn course of study, of the waste of time for children and teachers, of the failure of the system to respond to the growing needs of the city, of the lack of vital interest on the part of the children because of the failure of the system to react upon their lives, of deplorable physical conditions and of many other things in need of remedy; but I challenge any person to find in that report any trace of sinister intention or a single untrue statement.

After the report was printed, it was summarized and commented upon by the Atlanta press. There was no hint in these comments of any harshness in my criticisms. It was expressly said that I had made a dispassionate statement of facts, and that my work was constructive, rather than destructive. Later I appeared before the Atlanta board of education and answered questions with regard to certain recommendations which I made. Superintendent Brittain was present, commended my work, and gave no hint of any thought of wrong intention on my part, or on that of any other person.

Before my survey was undertaken, the Atlanta chamber of commerce had ordered an investigation of the schools. Reference to that report will show a severity of criticism upon which I did not venture. The women of Atlanta have recently conducted a searching investigation and the expression of their horror is known to all. For several years the newspapers of Atlanta have kept up almost continual criticism of the Atlanta schools, and recent citizens' meetings have voiced the general desire for better things.

That Superintendent Brittain was planning to succeed Mr. Stinson when my survey was made, or that any one else was planning to offer the place to him, as long as that person was consistent with the progress of the schools, Mr. Brittain has never been a candidate for the position, but I feel quite sure that no amount of mud-slinging from political time-server will drive him from any course of action which seems to him wise and right. If that is the object of the writer he is playing a losing game.

It is due to Mr. Brittain to say that he has been out of the city for some time, and is in no way responsible for the editorial attack upon me.

WELL-KNOWN COMPOSER VISITING IN ATLANTA

J. Edwin Allemon, well known as a composer of sacred and popular music, is in Atlanta for a short stay. Allemon and his company, composed of his wife and daughter, J. M. Martineau, soprano, and Kenneth Metcalf, tenor soloist, and other artists, are on a tour of the south.

Among his popular compositions Mr. Allemon is best known as the composer of "Dearie," "Nobody Loves You as I Do," "A Garland of Roses," and "When a Lad Loves You." He has been a composer for many years, and is an accomplished violinist and organist.

ASHBURN SCHOOL HAS NINE NEW GRADUATES

(By Associated Press) —ASHBURN, Ga., May 27.—The Ashburn public school commencement came to an end with the graduating exercises when one young man and eight young ladies received diplomas. All the exercises were of a high order and people were turned away for lack of seats.

The class that received diplomas were: Misses Corinne Betts, Estelle Parker, Annette Thrasher, Irene Hardy, Mary John Murray, Carmine Hewette, Edna Hardy and Lottie Cockrell and L. Mayland Hardy.

DEATH COMES SUDDENLY TO MRS. HENRY L. SMITH

Mother of Victor L. Smith and Alex W. Smith Died Here Wednesday

Mrs. Henry L. Smith, of Suwanee, Ga., formerly a resident of Atlanta, the mother of Victor Lamar Smith and Alex W. Smith, two of the best known lawyers of the Atlanta bar, died suddenly Wednesday afternoon about 5:30 o'clock at the home of Alex W. Smith, 914 Peachtree street. She was seventy-two years old.

For nearly fifty years Mrs. Smith was a resident of Atlanta and was greatly beloved for her many charitable works. She was a lifelong member of the Central Presbyterian church and was active in church work. About ten years ago she and her husband, who also survives her, moved to Suwanee. Before her marriage Mrs. Smith was Miss Wylie, a sister of A. C. and B. F. Wylie, prominent Atlanta merchants. She was a direct descendant

of John Sevier, of Revolutionary days. The funeral will be held at the residence Friday morning at 10:30 o'clock. The Rev. Richard Orme Fihn, pastor of the North Avenue Presbyterian church, will officiate and interment will take place at the private burying ground, Shadowbrook Farm, near Suwanee.

N. H. SEWELL NAMED UNIVERSITY VISITOR

Prof. N. H. Ballard, superintendent of the Brunswick schools, who was recently appointed a member of the board of visitors to the state university, has asked to be excused on the ground that he would not have the time to devote to the duties of the board, and Governor Stinson has appointed in his stead Prof. N. H. Sewell, superintendent of the Cartersville schools.

HARTWELL SCHOOL ENDS A PROSPEROUS YEAR

HARTWELL, Ga., May 27.—The Hartwell public school has just closed a successful year under the direction of Prof. C. G. Power. The commencement exercises began with a recital by Miss Alva Bennett's music class. The commencement sermon was preached by Rev. Hugh H. Merichson, of Lancaster, S. C. The oratorical contestants who received gold medals were Evelyn Turner, Cary Skelton, Edgar Brown and Nina Tinsley.

The graduating class was composed of Miss Bradberry, James Skelton, Jr., Bert Moore, Myron Leard, Mary Snow, W. T. Johnson, Jr., Elizabeth Moorhead and Monroe White. The G. M. Howerton medal for best scholarship was won by Monroe White.

All the members of the faculty were re-elected except Miss Kittie Watson, who resigned to accept a position in Dothan, Ala.

OUR FAREWELL FESTIVAL OF BARGAINS

When we publicly announced the startling news that we were FORCED OUT OF BUSINESS BY AN IMPOSSIBLE LEASE, it was with one object in view—that is, to dispose of our ENTIRE STOCK, CONSISTING OF THOUSANDS AND THOUSANDS OF DOLLARS worth of the FINEST Men's and Young Men's high-class CLOTHING, FURNISHING GOODS, SHOES AND HATS, etc., etc., in AMERICA, as quickly as we possibly could, AND RETIRE FROM BUSINESS FOREVER.

The RESULTS OBTAINED YESTERDAY, our OPENING DAY, and today up to the time of the printing of this announcement, proves that this sale is the MOST FAR-REACHING, the MOST WONDERFUL, in fact, THE GREATEST BARGAIN CARNIVAL EVER HELD IN ATLANTA. No matter when you expect to buy clothes, we say to you NOW IS THE TIME AND THIS IS THE PLACE; FURTHERMORE, IF EVERY MAN IN ATLANTA AND SURROUNDING COUNTRY REALLY KNEW HOW MUCH THEY SAVED HERE on their CLOTHING and FURNISHING purchases, the other CLOTHING stores WOULD SHUT THEIR DOORS FOR LACK OF PATRONAGE. The opportunity to buy the best Men's Wearables in America at ALMOST HALF WHOLESALE PRICE is CERTAINLY A RARITY and in all probability will never occur again.

Allied and Neutral Ships

(By Associated Press.)
WASHINGTON, May 27.—Delay of the
British government's reply to the
American government's inquiry for an
explanation of the meaning of the new
admiralty order, relative to the
"northabout route" in the North
Atlantic, is believed by officials here to be
due in some measure to the cabinet
changes in London. Ambassador Page
had been instructed to present an in-
quiry, but as yet he has not indicated
when a reply might be expected.

The terms of the order draw distinc-
tion between allied and neutral mer-
chant craft which officials here could
not understand. It does not state that
new mine fields have been placed in the
ordinary routes from Atlantic ports to
Scandinavia, but declares allied vessels desiring to
use the northabout route "should apply
to customs, and neutral vessels must
apply for permission through their for-
eign representatives, and failing such,
proceed southabout."

Officials noticed, it is said, the differ-
ence in language, "should" being applied
to allied ships and "must" as to neutral
vessels. They are interested to know
whether the order seeks to impose upon
neutral vessels restrictions as to routes
to Scandinavian countries that do not
apply equally to allied ships.

ITALIANS WIN FIRST IMPORTANT BATTLE AGAINST AUSTRIANS

stores were in the air for six hours, and
covered more than 400 kilometers (240
miles).

This expedition against an important
German military establishment was the
French reply to the attempts of Ger-
man aviators on the city of Paris.

This information was contained in the
French official statement given out by
the war office this afternoon.

The statement reads:
"Belgian troops last night repulsed
German attacks, one north and the
other south of Dixmude."

"North of Dixmude, our engagements took
place last night. Southwest of Bouchain
we took one of the enemy's trenches
near the Chateau de Caudebec and some
prisoners, including one officer, East
of Neuville St. Vaast, the Germans man-
euvered to an attack, but were checked
by artillery."

"At various points along the front,
notably near Dixmude and in the Vosges,
there were artillery engagements."

"One of our aerial squadrons,
composed of sixteen airplanes each, car-
rying fifty kilos of projectiles, this
morning bombarded at Louvain-la-Neuve
on the Rhine, the factory of the Baden
Aniline Chemical Products establish-
ment, one of the most important manu-
facturers of explosives in Germany. The
results reported are proof of the effec-
tiveness of the bombardment. Several
of the factory buildings were struck
by the projectiles of our men and a
number of fires broke out. The aviators
were in the air for almost six
hours and they covered more than 400
kilometers."

"This expedition against an important
establishment in the French answer to
the attempts of German aviators to
bombard Paris."

Allied Land Forces Keep Gaining at Dardanelles

(By Associated Press.)
PARIS, May 27.—A Havas Athens dis-
patch says the action of the allies
against the Turkish positions on the
Dardanelles straits is continuing vigor-
ously. Reinforcements constantly are
being brought up and the Turks appear
terrorized by the incessant renewal of
the attacks.

From time to time the British and
French artillery throws a veritable hail
of shells on the forts.

French Fall to Break the
German Lines, Says Berlin

(By Associated Press.)
BERLIN, May 27.—(Via London.)—
Army headquarters today issued the
following statement:

"Regardless of their great failures
of May 15, the French repeated their
attempts to break through our lines
between Vermelle and the Lorette hills.
Very strong forces were brought for-
ward for a storm attack along a narrow
stretch of six miles; but the attacking
force everywhere was repulsed. We are
in full possession of our positions. An
unusually large number of fallen
Frenchmen are lying in front of our
trenches."

"Further French attacks were direct-
ed against our line of Souchez-Neuville.
South of Souchez the battle has not
yet come to a conclusion."

"During a reconnoitering expedition
north of Dixmude we took one of the
enemy's trenches and twenty-five Bel-
gian prisoners."

"Further enemy advances at Soissons
and in the forest of La Prete were re-
pulsed."

"An air attack was successfully
carried out by us on the fortifications at
South End on the lower Thames."

"In the eastern theater there has been
change in the situation."

"In the southeastern area, an attack
by our troops progresses northeast of
Framrysl in the district of Strij.
The booty and yesterday's results can-
not yet be perceived."

"The disaster to the Triumph is ad-
mitted in a brief statement by the ad-
miralty, which says that while operat-
ing in support of the Australian and
New Zealand forces on the shore of the
Gallipoli peninsula yesterday the Tri-
umph was torpedoed by a submarine and
sunk shortly afterwards."

"Most of the officers and men, includ-
ing the captain and commander, are re-
ported to have been saved."

FORMER INSPECTOR OF MILK IN ATLANTA IS DEAD

Mr. J. E. Cooper, of Decatur, Ga.,
formerly city milk inspector for Atlanta,
died at a private sanitarium Thursday
morning. He was 61 years old and was
manager for the Henry Durand dairy
surviving him as his wife, four chil-
dren, three sisters and three brothers.

The funeral will be held Friday after-
noon at 2 o'clock at the chapel of Hart
and London and the interment will be
in West View.

MRS. JACOB EISEMAN'S FUNERAL THURSDAY

The funeral of Mrs. Jacob Eisenman,
beloved Atlanta woman, who died Wed-
nesday morning at her home at 1012
Merritt avenue, will be held at the
reference Thursday.

The funeral will be held at 2 o'clock
at the chapel of Hart and London and the
interment will be in Oak
land.

TOURISTS ON LAST LAP OF HOMEWARD RUN: HERE TONIGHT

(Continued from Page 1.)

Into the city will be an spectacular as-
pect. It has been arranged to have
the Georgia Tech band, which escorted
the tour at the start on the outskirts
of town to herald the return.

The tourists were joined here by Miss
W. J. Dabney, Joel Dabney, Mrs. W. J.
Studd, Miss Marie Studdard and Miss
Neil Plunkett, who will be in the car
of Pacemaker "Bill" Stoddard, from
Macon to Atlanta.

It will be a tired and dust driven,
albeit an enthusiastic lot of tourists who
reach Atlanta tonight on the outskirts
of town to herald the return. They are
expected to finish, nearly 150 tour-
ists. As a welcome to their first day of
fellowship, J. Lee Barnes will entertain
them tonight at the Majestic hotel.

Yesterday's long hike from Valdosta
was by far the most arduous of the
tour, and while lavish entertainment and
numerous adventures befell the
tourists, every car was in Macon by
8:30 o'clock last night and no accidents
other than slight tire trouble were re-
ported.

"We had narrow escapes four times,"
said J. E. Gentry, who was in the car
of the tourists with Lee Barnes, W. G. Pe-
ebles, C. N. Edwards, A. C. Bonham and
Wiley West. "Twenty miles from
Macon we lost the road and were bump-
ed for two miles over a plowed field
while convicts were working. Again,
a bridge on the route gave way about two
miles before we got to the town of
Macon, but the bridge was not
load of lumber being carried by a truck.
Nobody was hurt, but the truck had
to be hauled out with derricks. About
twenty miles from Macon the rain started
and then it changed to hail as big
as rock's eggs. We drove through a
region of mud and hail, it seemed to us,
and we were skidding all the time."

The rain was equally as hard on the
motorists. It poured down after they
had left Vienna and were nearing
Marshallville, about fifty miles from
Macon. In a few moments the roads
were crisscrossed through which
the battered cars were driven following
like ships in the trough of the sea. It
was rather marvelous that none were
overturned. As it was, the wheels
slewed dangerously at every curve. At
Marshallville, about fifty miles from
Macon, the rain was put on
every car. When Port Valley was passed
conditions got better."

GREAT NIGHT AT MACON:
The downpour hadn't reached as far
north as Macon, so for fifteen miles
the roads were smooth and peedy. It
was pitch dark, however, and when the
twinkling lights from thirty cars swung
into Houston avenue it was a pretty
sight.

Last night was a gala occasion at the
Lanier, the Dempsey and other hotels,
where the visitors were stopping. Lee
Barnes was tendered a dinner by Thom-
as W. Hooks, proprietor of the Lanier,
and there was a dance at the same ho-
tel.

President Charles J. Haden, of the
Georgia chamber of commerce, Commis-
sioner of Agriculture J. D. Price and
Dr. K. G. Matheson, president of Georgia
Tech, have all kept close tabs on the
crops bordering the line of the tour.

A 20 per cent cut in cotton is a con-
servative estimate of the decrease ac-
cording to their calculations. And Com-
missioner Price says that 25 per cent
would not be overestimating it.

It was greatly impressed also by the wheat,
corn, rice, oats and other grains which
are grown in abundance. He says, how-
ever, that south Georgia has done much
more in the way of decreasing the cot-
ton acreage than north Georgia.

Through a driving rain the thirty cars
of the seeing Georgia tour skidded from
Cordelle to Port Valley yesterday after-
noon at low speed. Chained were on
all the cars and it was dangerous going.
It was the first bad weather of the trip
and it failed to stop the ovations accord-
ed the tourists at every town. Vienna
turned out with a big delegation headed
by W. H. Lester, Watts Tower and
Judge W. P. George. Free drinks were
served. The tourists were much inter-
ested in speech orators stretching out
away on either side of the national
highway.

Baskets of Georgia's best, the first
of the season, were presented them at
George H. Slappe's farm near Macon's
Lane, where a barbecue was also served.

mous home near Vienna the tourists
were entertained. Despite the hot
weather there were few mishaps. J.
A. Crane, Lion agent at Atlanta,
driving Sam Parram's car, was thrown
out before reaching Cordelle while at-
tempting to negotiate his motor car
running broad while the car was moving.
He was badly bruised, but broke no
bones. Mayor J. R. Kenney, former rep-
resentative, A. B. Green, of Houston
county, and other prominent Port Val-
ley citizens gave the tourists a rousing
welcome.

From Atlanta to Macon the tourists
drove exactly 516 miles. Wednesday's
run from Valdosta to Macon was 170
miles, actual running time seven hours
and forty-two minutes, average speed
per hour, 23.1-2 miles. Thirty-eight
miles were mud and thirty-four miles
heavy sand. The time is considered a
mile ahead of the cars entered by auto-
mobile agencies in the tour. The Maxwell
pacemaker has had no stop for adjust-
ment since leaving Atlanta and is still
running on Atlanta air, and the three
Studebakers have achieved a remark-
able record, one a four-cylinder, coming
so far without even a tire trouble,
one a six, also having a perfect score,
and the other, a six, having no trouble
except one blowout, repaired in two
minutes.

SUFFRAGE LEADERS AT SIEGE TO TENNESSEE

Mrs. Walter Jackson Tells of Plans to Win State for 'The Cause'

"Carry Tennessee for suffrage and break the solid south." That's their slogan, and if the enthusiasm of Mrs. Walter C. Jackson, of Murfreesboro, Tenn., who passed through Atlanta Thursday, is a sample of the rank and file of Tennessee suffrage leaders, then it's pretty certain they'll put through their program.

The Tennessee leaders held a rally in Chattanooga Wednesday night, smoothed out factional differences, and planned a campaign that will reach into every corner of the state. Tennessee will have a state constitutional convention in August, 1916, and the delegates to the convention have definitely promised to pass an amendment giving women the vote. This amendment, which all others passed by the convention, will be put to a vote on the day after the election. The amendment will be put to a vote on the day after the election. The amendment will be put to a vote on the day after the election.

The meeting Wednesday night in Chattanooga, which Mrs. Jackson attended, was held under the auspices of the Tennessee Equal Suffrage association, of which she is president. Prominent suffrage advocates from all over Tennessee were present. The meeting was held in the city of Chattanooga, which Mrs. Jackson attended. The meeting was held in the city of Chattanooga, which Mrs. Jackson attended.

Mrs. Jackson was appointed chairman for the fifth district, which comprises Murfreesboro. Each district chairman will appoint a county chairman for each county in her district, and each county chairman will appoint a county campaign committee. The campaign will be carried to all the voters of the state.

"In the cities," said Mrs. Jackson, "we will have organized opposition on the part of the wily and wile interests, but in the country we will have no organized opposition and it is there we expect to carry things practically solid. Of course, we won't surrender the cities to the opposition. Not by any means. We will make it so clear why certain interests in the cities are against votes for women that the respectable men of the cities will not want to be seen in their company. We have a big job cut out for us, we realize that. But we are organized, we are enthusiastic and determined, and already we have won the first stage of our campaign, which is to get a suffrage amendment referred to the people. Watch us. We are going to win in Tennessee. Then suffrage will spread rapidly to adjoining states."

Mrs. Jackson is on her way to Chester, S. C., to visit her family. Before her marriage she was Miss Anne Brainerd. She is youthful, handsome and personally quite charming. It is interesting to note that she is a native of Tennessee, indeed, who can relate her appeal. Arriving early in the morning, she was met by a light ride from Chattanooga. Mrs. Jackson took a train to headquarters of the Atlanta suffragists on Peachtree street. She was met by a light ride from Chattanooga. Mrs. Jackson took a train to headquarters of the Atlanta suffragists on Peachtree street.

Posting on the sidewalk for a newspaper snapshot was a new experience for Mrs. Jackson.

"But I suppose I should not object, since you say it's for the cause," she said with a blushing smile.

DR. BAK'S FUNERAL TO BE HELD ON FRIDAY

The body of Dr. Henry Bak, veteran physician of Atlanta, who died in a private sanitarium in Chicago Tuesday, arrived in Atlanta Thursday morning and was carried to the Greenberg-Bond chapel.

The funeral will be held at the residence, 578 Washington street, Friday morning at 10 o'clock. Rabbi David Marx will officiate and the interment will be in Oakland.

MR. LOYLESS' FUNERAL IS HELD AT SON'S HOME

The funeral of Mr. W. A. Loyless, pioneer business man of Atlanta, who died Wednesday morning after a short illness, was held Thursday morning at 11 o'clock at the home of his son, Donald A. Loyless, 19 East Fourth street.

Dr. John R. Atkinson, dean of St. Philip's Episcopal cathedral, officiated and the interment was in West View.

URIC ACID POISONS THE WHOLE BODY

It Should Be Dissolved and Flushed From the System

Jacobs Liver Salt is a gentle but effective tonic for the liver and bowels, which dissolves and eliminates uric acid and other poisons, at the same time it flushes and physically cleanses the system.

Fermentation of meat and other heavy foods, produces two things: Waste that clogs and poisonous toxins that attack and gradually break down the vital organs so that they fail in function. By removing both the waste matter and the poisonous products at the same time, Jacobs Liver Salt prevents formation of the vital organs, giving them opportunity to perform their functions normally and to keep the body vigorous and healthy.

DORSEY SATISFIED WITH STATUS OF INNIS CASE

Solicitor Back From Washington Where He Fought Reduction of Bail

Solicitor General Hugh M. Dorsey has returned from Washington, where he was before the United States supreme court, to contest the application for a reduction of bail of Victor E. Innis and his wife, held in Texas for Fulton county courts, on a charge of defrauding Lela Nelms Demme and Beatrice Nelms out of \$4,000. The solicitor and Marshall Nelms, brother of the girl, who are believed to have been murdered, were highly pleased with the results of the trip. Justice Lamar held that the case must remain in its present status, with the Innises in jail in Texas, until the appeal is made to the entire supreme court.

First, is an extradition case balaheh Second, has the United States court jurisdiction? Third, the amount of the bail? This means that the Innises must make the next move in the case by filing a motion in the supreme court between June 1 and June 21. If the motion is not filed in that time the Innises must stay in jail in Texas until the first of October, when according to the rules of the supreme court, the motion can be filed. Of course the matter can be brought before the Innises agree to come into Georgia and the jurisdiction of the state courts.

The supreme court will not hear motions after June 21 until October and the Innises are willing to make the long wait in the Texas jail, the motion must be filed in June.

On Trial for Murder

COLUMBIANA, Ga., May 27.—W. J. Watkins faces the charge of murder in the Muscogee superior court today, having been tried last night yesterday for the killing of E. C. Ballard in Columbus some weeks ago. The dying statement of the latter is the evidence on which the state bases its case, it being given to Sheriff Heard, and was to the effect that Watkins shot Ballard without provocation. The defense claims self-defense.

Miss Walker's Funeral

COLUMBIANA, Ga., May 27.—The funeral of Miss Clara Walker, well known and highly esteemed Columbus woman, who died yesterday, took place from the residence, 1015 Fifth avenue, this morning at 10 o'clock and the interment was in Linwood. Miss Walker was a daughter of Mrs. Ella Walker, a well known and prominent in local social and literary circles.

HIGH! CALMEL MAKES YOU SICK! CLEAN LIVER AND BOWELS MY WAY

Just once! Try "Doddson's Liver Tone" when Bilious, Constipated, Headachy—Don't Lose a day's work!

Liven up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no more dangerous cathartics because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel causes indigestion, bile like vomit, breaking it up. That's when you feel that awful cramping. Listen to me: If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Doddson's Liver Tone. Your druggist will tell you that the only safe way to get rid of the liver is to sell you a 50 cent bottle of Doddson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Doddson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and indigestion will be gone. You will be sweet and bowels regular.

Doddson's Liver Tone is entirely vegetable, therefore harmless and can not sallow. Give it to your children. Millions of people are using Doddson's Liver Tone instead of dangerous calomel now. WIND STORM PLAYS HAVOC WITH TRAFFIC

Trees Blown Across Car Tracks, Chimneys Fall in, Roofs Damaged

When three chimneys of the Chi Phi chapter house, 55 West North avenue, tumbled down before the force of the 10-mile wind that hit the vicinity of North avenue and Williams street Wednesday afternoon, two students narrowly escaped being crushed by the falling bricks. Students in the Kappa Sigma house, 222 Williams street, when the roof was partly blown off, also had close calls.

From all parts of the city reports came in of damage done. Trains were tied up for an hour on cars passing up Peachtree street, when an oak tree was blown across the tracks in front of the Peachtree Inn. The tree in its fall crushed a cart driven by a negro; the driver and the mule hitched to the cart, escaped. A street car on the Georgia, Atlanta, and Power company, armed with axes, cleared the tree from the tracks and traffic continued.

In West End, at Gordon and Hopkins streets, another tree was blown down, falling on top of a trolley pole and tearing off a strand of live wire amid a cloud of sparks.

The roof of a vacant house at 314 Williams street, next to the Kappa Sigma house, was partly blown off, part of the fence around Tech flats fell before the wind, and Attorney William M. Smith received several cuts on his face when the wings of his office in the Austell building blew in.

A heavy rain accompanied the ripping wind as it swept across Atlanta, drenching pedestrians and flooding cellars down town, leaving a cool and refreshed city in the wake of the storm.

A Card of Thanks

We wish to thank the members of St. Luke church, and our friends for the kindness shown us during the sickness and death of our husband and father, MRS. ROBT. WALLACE AND FAMILY.

There is never a cure in this world of the many that all other diseases put together, and the last few years doctors have been unable to cure a case of this disease, and by constantly failing to cure with real treatment, pronounced it incurable. Since we have been cured by a constitutional disease, and therefore require constitutional treatment, fully catarrh cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It acts internally and cleanses the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Nutritious Delicious

You know the tonic properties of malted milk; the energy of beef juice; the nourishment of pure, sweet milk; the blood-building value of Hemo-milk—all this and more in Hemo. That's why Hemo is more than malted milk. That's why it nourishes the weakened system. Write for illustrated sample. Thompson's Malted Food Company, Waukegan, Wis.

REASON

Governs This Home Cure For Consumption

CONSUMPTOL is a harmless vegetable compound, made of ingredients that kill germs and soothe and heal diseased tissues. And best of all—CONSUMPTOL is not taken as a drug in liquid or solid form, but is inhaled with the steam from boiling water. Now doesn't that sound reasonable? Instead of having a medicine most of the effectiveness by coming all the way through the system, Consumptol is breathed in directly on the diseased portions, so that it gets its healing work easily and immediately.

CONSUMPTOL is a valuable cure for Asthma, Consumption, Catarrh, Coughs, Colds, Bronchitis and other forms of Lung, Throat and Nose diseases. In order that all sufferers may come to know and benefit from Consumptol, we are offering for one month only to send to anyone enclosing the ad and 35c our regular 51 size of Consumptol. Write today, it will mean much to you. Address, THE CONSUMPTOL LABORATORY, 100 Thompson, Ga. (Adv.)

Valuable Item for Men

Health and strength hitherto unknown will be felt, surging in your red blood through the arteries and veins and life's greatest ambition may be realized as never before if the following special treatment is followed by those men and women, too, who are stricken with that most dreaded of all afflictions, nervous exhaustion, accompanied with such symptoms as extreme nervousness, insomnia, cold extremities, muscular aches, headache, constipation and dyspepsia, kidney troubles, dreary dreams of direful disasters, timidity in venturing and a general inability to act naturally at all times as other people do. Lack of poise and equilibrium in men is a constant source of embarrassment even when the public least suspects it. For the benefit of those who want a restoration to full, bounding health and all the happiness accompanying it, the following home treatment is given. It contains no opiates or habit-forming drugs whatever.

The treatment consists of (1) three-grain codonate tablets, packed in sealed tubes, and widely prescribed and dispensed by physicians and stocked pharmacists. Full directions for self administration accompany each tube. How to Get Healthwise

With the aid of good health, maximum achievement is possible; without it, life loses part of its efficiency and most of its real enjoyment.

All of us have strength enough to live, but very few have strength to waste. We need to know definitely how to make the most of our physical resources, and how to increase them, if this can be done.

The great Health Resort at Battle Creek is a Health University, a place where well people learn to keep well and sick people learn to get well.

The thorough physical examination you receive on arrival shows your individual needs in health development and conservation; what you should eat, how you should exercise, what you may do and what you must avoid--in short, how you can put the maximum of useful work into every day and how you can get the most real joy and satisfaction out of it.

A month spent in getting healthwise may mean added years of activity and usefulness.

For full information write to 405 Administration Building, Battle Creek Sanitarium, Battle Creek, Michigan.

PRESBYTERIAN ASSEMBLY TO ADJOURN THURSDAY

Commissioners Have Disposed of All Business Except Routine Matters

(By Associated Press.) NEWPORT, N. H., May 27.--The general assembly of the Presbyterian church closed the remaining business on the docket at 3 o'clock this morning and it was the hope of the commissioners to be able to dissolve the assembly at 1 o'clock. Few matters of importance remained to be considered, but a large number of routine items remained to be disposed of. There were no social features on today's program.

The subject for discussion at the devotional service this morning was "Thirty or one hundred fold," which was read by Rev. Eugene Abbott, of Fulton, Mo., presiding.

The report of the foreign missions committee showed total contributions during the year of \$144,162, of which the women's societies gave \$17,485. During the past year contributions for this branch of the church work have increased from \$11,576 in 1905 to \$144,162, or 157 per cent. The per capita increase for this year period has been from 46 cents to \$1.71, or 193 per cent. The increase in the number of foreign missionaries supported by the assembly has increased 75 per cent, or from 123 to 213 since 1905.

The report of the women's auxiliary was the most encouraging in the history of the assembly. The contributions to the different courses of the assembly during the year are as follows:

Foreign missions, \$165,570; assembly's home missions, \$19,042; synods' home missions, \$19,177; presbytery's home missions, \$12,257; evangelistic missions, \$12,257; Christian education, \$12,257; relief fund, \$10,579; Sabbath school extension and publication, \$2,548; schools and colleges, \$9,907; Bible cause, \$641; orphan's home, \$5,168; miscellaneous benevolences, \$14,552. Total, \$142,912. Total, 1914, \$149,423. Total gain, \$23,555.

Presbyterians to Leave Union Seminary Alone

ROCHESTER, N. Y., May 27.--The one hundred and twenty-seventh assembly of the Presbyterian church in the United States will take no further action regarding the union seminary. The movement to offer resolutions disclaiming any intention of implying moral turpitude on the part of the seminary's directors and providing a committee to investigate the New York Presbytery has definitely been abandoned.

Today the assembly disposed of routine business, received decisions in judicial cases and reports of standing committees, and prepared for the closing services tomorrow.

GORDON INSTITUTE HAS FORTY-ONE GRADUATES

(Special Dispatch to The Journal.) GAINESVILLE, Ga., May 27.--The sixty-third commencement of Gordon institute was brought to a successful close Wednesday evening with the graduation exercises, when forty-one young men and young ladies received the highest degree of the institution. The members of the class having part in the program were as follows:

Solitary, Miss Faith Poreh; poem, Miss Evelyn Hale; prophecy, J. R. Brown; history, Miss Lillian H. Caldwell; Miss Louise Marshburn. President Edward T. Holmes, who is gratified at the success of the school graduating such a large and splendid class, awarded diplomas and the scene was one full of interest.

The baccalaureate service was delivered Wednesday by Dr. L. E. Barton, of Atlanta. Dr. E. E. Stockbridge, of Atlanta, delivered the benediction, which had been won in the various departments of the school during the year.

BLOODWORTH HONORED BY UNIVERSITY OF GA.

FORSYTH, Ga., May 27.--O. H. Bloodworth, Jr., editor and proprietor of the Monroe advertiser, of Forsyth, has been chosen to deliver the sophomore cup and the debaters and declaimers medals at the approaching commencement of the University of Georgia, in Athens. Mr. Bloodworth graduated in the class of 1905 at the university, taking the bachelor of arts degree. It is customary to choose one of the "tenor" men for this honor, and the committee has selected the Forsyth editor.

The class of 1905, of which Horace B. Ritchie, superintendent of the Fitzgerald public schools, is president, is to hold their ten-year reunion in Athens at the approaching commencement.

DENTAL STUDENTS WILL GET DIPLOMAS TONIGHT

Fifty-three young men will receive diplomas in dentistry at the graduating exercises of the Southern Dental College at Atlanta tonight. The graduates will be given diplomas by the faculty of the college.

Rev. A. R. Holdery will give the invocation. S. W. Foster, dean of the school, will make his annual report to the board of trustees. Luther L. Knight will deliver the annual address; Edmund W. Martin, vice president of the board of trustees, will read the address.

YOUNG MAN, DEMENTED, KILLS SELF WITH GUN

WATKINSVILLE, Ga., May 27.--Claude Ellis, a young man living near Barrett Shoals, in Oconee county, committed suicide last night, after shooting himself through the heart with a shotgun. He had been in a demented condition for some time, having killed about three head of stock and hiding himself for several days. He had been closely watched since that time and yesterday was the first time he had been left alone since his runaway trip.

COLUMBUS TO HAVE NEW PACKING PLANT

COLUMBUS, Ga., May 27.--Columbus is to have a new \$60,000 packing plant. The plant, which will be built by the Columbus Packing Company, of Trenton, N. J., has been in the city and succeeded in getting up local stock to the amount of \$20,000, and it is announced that the proposed plant will be established here at once. The offices and cold storage will be located in Columbus and the slaughter plant in Phenix City.

POLICE CALL BOXES DO NOT CONTAIN ANY GUM

Officer Finds Countryman Trying to Force Penny Through Key Hole

County Officer C. C. Heard is very anxious for the public to realize that chewing gum does not come out of the new penny police call boxes, even if a penny is forced into the box. These boxes, recently placed on the principal roads of the county, connect with the county police office at the court house, and work similarly to the Gamewell call system boxes of the city. And, despite the fact that they are chewing gum vending machines, with a keyhole resembling the slot for the penny, Mr. Heard vouches for the fact that there is not a stick of gum in any of them.

Officer Heard caught a young countryman Wednesday afternoon trying to force a penny into the call box at Lake Wood Heights. The penny wouldn't go easily into the keyhole, and the man was reaching around the road for a stone with which to smash it in. He was caught when Officer Heard nabbed him. After explaining that there was a little telephone inside the box instead of gum or chocolates, the officer turned his prisoner loose, admonishing him to quit monkeying with the call boxes in the future.

HEAT IN COLUMBUS IS CAUSE OF MANY DEATHS

(Special Dispatch to The Journal.) COLUMBUS, Ga., May 27.--The excessive heat of the past few days in the Columbus district has proven quite serious with old people of the community quite a number having passed away and others are ill. On yesterday seven deaths were announced in the local papers among the older people, the death being due to general debility, but the severe weather, it is stated, combined to bring about a heavier end. Among the most prominent of these were M. P. Watkins, aged seventy-six; Gus McCollins, aged eighty; C. R. Lumpkin, aged seventy-seven.

The rain of last night brought a drop in the temperature and the conditions are much improved today.

Georgia Singers Called

DALTON, Ga., May 27.--The vocation of the singers of the seventh congressional district has been sent to them here by W. G. Tankersly, secretary of the district organization. The convention will be held in Rome, June 19 and will attract singers from practically every county in the district.

THE GERMAN WOUNDED

Berlin, May 27. (By wireless to Rayville, L.) The Germans are terribly sympathetic about their care of the wounded. All their men found on the battlefield receive a "first aid dressing." Each is tagged with a card, which indicates whether he is badly hurt or not. From the battlefield the wounded men are taken to the field hospitals or to headquarters. A man may be badly wounded and yet be back on the firing line in three months.

The "Golden Medical Discovery" in tablet or liquid form helps the stomach, cleans the bowels, relieves the liver, regulates the bowels, and gives the system a vigorous, full of snap and life. Fifty years ago Dr. Pierce discovered that a glyceric extract of Golden Seal and Oregon grape root of queen's root and bloodroot with black cherry bark would aid all the digestive organs to work as Nature intended. This "Golden Medical Discovery" has been introduced to the world has restored them to health when suffering from stomach and liver troubles. Many a man has tried this famous remedy. (Advt.)

Miss Black Honor

Guest at Flower Luncheon

Mrs. A. P. Coles entertained at luncheon Thursday afternoon, at her home on West Peachtree street, in honor of Miss Louise Black, whose approaching marriage to Mr. John Fitten McDougald will be an event of June.

The table decorations were artistically carried out in daisy design. The round surface was covered with an exquisite luncheon cloth embroidered in white and white which blended harmoniously with the coloring of the bright yellow centered daisies which filled a large silver basket and several silver flower holders placed at intervals along the prettily appointed table. Silver filigree shades to the candle were lined with white and the hand-painted place cards were dainty maidens dressed in daisy petals, holding an inverted daisy parasol. The leaf-shaped cakes were embossed in daisies and the tea was served in daisy design. The souvenirs of the occasion were little green and white items tied with bright green tulle and filled with mints.

The favorite recipe of each guest was presented in attractive form to Miss Black and at the conclusion of luncheon a shower of miniature housekeeping articles was given the popular bride.

Covers were laid for Miss Black, Mrs. M. P. Peters, Miss M. J. Smith, Mr. Frederick A. Brice, Mrs. J. W. Hatcher, Mr. J. M. Stimpert, Mr. A. D. Adair, Jr., Mrs. Clyde King, Mrs. Henry W. Todd, Mrs. James S. Dougherty and Mrs. Albert Harrell.

Dinner to Governor's Staff

Governor and Mrs. John Marshall Smith will entertain at dinner Tuesday evening, June 8, at the Piedmont club, in compliment to the members of the governor's staff.

Afternoon Tea for Visitor

Mrs. George E. Whitney, of Augusta, was the charming honor guest at the informal tea at which Mrs. William C. Harrison was hostess Thursday afternoon, at her home on Juniper street. The pretty decorations included Dorothy Perkins roses, sweet peas, and Salal.

The hostess was gown in white French net with aon jacket of pale blue tulle. Twelve guests were invited to meet Mrs. Whitney.

To Miss Osborn

Miss Ollie May Osborn, a bride elect, was honor guest at two pretty parties Thursday, when Mrs. A. M. Burke and her daughter, Mrs. J. M. Stimpert, entertained at a morning bridge luncheon, and Miss Mary Will, gave an afternoon bridge tea.

Mrs. Burke's pretty home was decorated in profusion of garden roses. The prize awarded at the conclusion of the card game was a pair of white embroidered silk hose. The honor guest was presented with a similar pair as a souvenir of the occasion.

Twelve guests were entertained by Miss Will at cards and later a dozen guests came in for tea.

An event of Friday will be the luncheon at which Mrs. B. H. Harris will entertain at the East Lake Country club, in honor of Miss Osborn.

Pupils' Recital

The pupils of Miss Ole Robinson will give a recital at the studio, 223 Peachtree street, Friday evening at 8 o'clock. They will be assisted by the Wednesday Afternoon Music club, and Mrs. John Marshall Smith will give a reading.

Lawn Fete

The Junior Methodist Episcopal church will give an ice cream fete on the church lawn Friday, from 4 to 8 o'clock, for the benefit of their missionary societies.

BRIDE ELECT

MISS MARCELLA STEEDMAN
An attractive bride-elect of the early summer, who has been pleasantly entertained at a series of parties during the past week.

BROWN-BURTON SMITH

The marriage of Miss Hildreth Burton Smith and Mr. William Robinson Smith was solemnized Thursday at high noon at the residence of the bride's aunt, Mrs. Oron Bishop Brown in Berlin, N. H.

The ceremony was read in the presence of the immediate family connection and was followed by an elaborate wedding breakfast at 1 o'clock.

The bride, who is the daughter of Mr. and Mrs. Burton Smith and the place of Senator and Mrs. Hoke Smith and the granddaughter of Mrs. John R. Gordon and the late General Gordon, has been since her debut two seasons ago one of the very charming members of Atlanta society. She was studying in Europe at the time she was engaged and her return to the United States continued the study of art in New York.

Prizes Awarded Miss Culberson and Miss Briggs in French Contest

Miss Margaret Culberson, of the Girls' High school, and Miss Dorothy Briggs, of the English Commercial High school, were awarded prizes in a French contest, offered by the International Alliance Française, and a scholarship in French under Mrs. K. R. Rifer offered to the last student among the French classes at high schools.

The medal was awarded to Miss Culberson, the young daughter of Mr. and Mrs. Robert L. Culberson and granddaughter of the late Judge Blackley, who also received the scholarship at the Girls' High school, given by the Girls' High school. The scholarship in French under Madame Rifer was awarded to Miss Dorothy Briggs, of the senior class of the Commercial High school.

Madame Rifer, Mr. Charles Lordan and Mrs. E. M. Rifer conducted the written and oral examination of the prize takers through the Atlanta branch of the French Alliance, and Mrs. Rifer, who is head of the French department of the Girls' High school.

The program was entirely in French and Miss Edith Anderson, of the Commercial High school, and Miss Stinson received expressions of appreciation upon the proficiency of their pupils from the members of the French Alliance who witnessed the contest.

Following an introduction by Miss Rifer, Mrs. Rifer gave an address on the aims and object of the French Alliance, and Mr. Lordan gave an interesting French literature.

The program was opened with the singing of "La Marseillaise," by the French pupils of the first and second grades. "Conseil a un Enfant," by Victor Hugo, was recited by Miss Frost, first A, English Commercial.

During the afternoon Mrs. McMahon, Mrs. Griffin showed a number of stereoscopic views of points of interest which they recently visited while traveling through South America.

GOLD DUST

—it actually works at hundreds of tasks daily

"Let the Gold Dust Twins do your work" is much more than a popular phrase. It is based on truth, an actuality, for Gold Dust really works.

The millions of women who use it for dishwashing and scrubbing know this. But Gold Dust should be used for cleaning and brightening everything. It is the only washing and cleaning powder needed in any home.

The small quantity required is quickly taken up by hot or cold, hard or soft water—forming a perfect cleaning solution. The valuable automatic cleaning agent it contains helps to make things amazingly clean, as well as bright and new-looking.

Allen Successful in Rescue Role, Crackers Win; Thompson Works Today

Carl Thompson Faces Marshall Slab Today

Pitchers' Battle Promised When This Pair Hook Up—Crackers Due for Winning Spurt, If Bunch Settles Down and Plays at Top of Line

By Innis Brown

According to reports sent out from Chattanooga, Carl Thompson will oppose Rube Marshall in the second game of the current series between the Crackers and Lookouts. This promises to be some considerable battle, in his last three games Thompson has pitched excellent ball. He was yanked in the eighth inning of the game with Memphis, and allowed a pinch hitter to bat for him and that, who replaced him was touched up rather lively. However, the Crackers were unable to do any damage to Thompson and the game was dropped. Carl won from the Travelers and lost in easy style, both of which was due to a light sprinkling of hits.

On the other hand, Marshall has been pitching the ball for the Lookouts. He was claimed from Nashville over the other route and since since McCracken's club has been one of the most serviceable of the league. Marshall is in fact the Lookouts' rear guard and is proving an early rise to the majors for him. He possesses the speed and a curve ball. The duel between him and Thompson should be a brilliant one.

There was one feature to Wednesday's game that should prove pleasing to local fans. It was the hitting of Rube Marshall. Bill Hill has been in the midst of something of a slump for some time and more. He has been hit by a blow here and there, but his hitting was nothing more. It was in the race with the Lookouts that he smashed out a single scoring Moran and a bit later he came through with a great single, driving in three men over ahead of him and putting the Crackers back into the race.

It is interesting to note the comment being passed about the league on the chances of the different teams. The New Braves are considered the best, followed by the Atlanta Braves, who are considered the best. The Atlanta Braves are considered the best, followed by the Atlanta Braves, who are considered the best.

Baron serves still figure the Braves looking good bet. Memphis scribbles can't quite make up their mind as to whether or not to let them back into the race. The Atlanta Braves are considered the best, followed by the Atlanta Braves, who are considered the best.

Just at present Manager Smith is looking out for his team. Nothing lately has been heard from Perryman, who is still Manager. Smith is looking out for his team. Nothing lately has been heard from Perryman, who is still Manager. Smith is looking out for his team.

This much is certain. There is no club in the league that is looking out for his team. Nothing lately has been heard from Perryman, who is still Manager. Smith is looking out for his team.

As for the pitching, it looks pretty good. The Atlanta Braves are considered the best, followed by the Atlanta Braves, who are considered the best. The Atlanta Braves are considered the best, followed by the Atlanta Braves, who are considered the best.

What the Crackers need more than anything else just now is to settle down and play at the top of their line. The Atlanta Braves are considered the best, followed by the Atlanta Braves, who are considered the best.

The campaign launched by the Young Men's Christian association a short time since aimed at boosting interest in swimming and water sports is meeting with great success. The association has offered prizes to anyone who can swim a mile in less than ten minutes. The time from June 10 to 12 will be devoted by instructors to the instruction of anyone who cares to take advantage of the offer. The association is learning to swim.

Something like 5,000 cards were mailed out in the city, and many of them have been returned. The association is learning to swim. The association is learning to swim. The association is learning to swim.

Local fans had supposed all along that the catching staff of the Lookouts was the best in the league. The Atlanta Braves are considered the best, followed by the Atlanta Braves, who are considered the best.

NOT KNOCKING, BUT—
(An ode to May as exclusively dictated to us by seventeen major league magnates.)

And this is May—
Black shadows mixed with skies of gray;
A cold rain falling with a roar
From some snow-bound Icelandic shore;
A dozen ball parks full of gloom
With double-batters over the
Or else a biting, stinging tale
With tremulous of winter's wail,
And all around a hatching of gloom
For those who dared to "take 'em on";
And yet the bare-brained poets say
That this is May.

And this is May—
Five hundred players drawing pay
For giving fans a stinky peek;
By playing in one game a week;
And yet this is "the month of blooms,"
For those who dared to "take 'em on";
And yet the bare-brained poets say
That this is May.

Weather Conditions

Forecast till 7 p. m. Friday:
Atlanta and vicinity: Showers tonight and Friday.
Georgia: Partly cloudy tonight, cooler in coast, showers Friday.
Alabama: Fair tonight, Friday local thundershowers.
The disturbance central over western Texas has developed considerable force and the atmospheric pressure is now below 29.5 inches at Oklahoma City.
The storm is accompanied by widespread rain over the central valley. Large amounts were recorded in coast, portions of Georgia, North Carolina, Florida, South Carolina, and North Carolina. Light showers occurred in Georgia and North Carolina, but none in Louisiana and Mississippi. The area will probably cover the entire coast on Friday.
An area of high barometer, with colder weather, covers the Lake region. Fair weather, with a 7 a. m. temperature of 40 degrees at Sault Ste. Marie, and light frosts at Buffalo, Pittsburgh and Green Bay. Fair weather, with falling frost, on the coast.
